

Detailed Trip Itinerary

ADVENTURE CRUISE TO SUNDARBANS

The world largest mangrove forests and Land of Royal Bengal TIGER

The world's largest contiguous mangrove forest hosts an amazing faunal & floral diversity, including the probably largest remaining population of Royal Bengal tigers, the endangered estuarine crocodile, Ganges River dolphins as well as an astounding variety of birds.

Join our Adventure Cruise and explore this intricate maze of tidal waterways, a natural treasure of Bangladesh.

Day 1: 24th Feb'19 (Start at 8:30pm) Board the BOAT, starting of cruise & DINNER	The boat is anchored at the Jaikhana khana Ghat in Khulna City. After completion of the boarding the boat at 8:30pm, the cruise will start. Dinner will served at 9:00pm. After few hours of cruising the boat will stop at a forest station to complete formalities and also pick up armed forest guards to stay on board. Then, river, silent night & sleep.
Day 2: 25th Feb'19 Cruise through the Wide River and amazing forests	Early in the morning, the boat will continue the cruise and arrive at Kotka forests station in the early afternoon, then the accompanied guide will offer some activities in and around Katka wildlife sanctuary area, like country boat trip inside small canal & deep forests, soft walk behind of Katka forest office. Anchor for overnight stay on board.
Day 3: 26th Feb'19 Explore the amazing biodiversity of Sundarbans	Shortly after sunrise, explore the narrow creeks via wooden rowboat for a close look at the unique mangrove fauna & flora. After breakfast, variety of activities including an easy trek to the pristine beach facing the Bay of Bengal or a hike through the mangroves or the fascinating MUD bath. In the early afternoon the boat will resume its cruise to Kochikhali (tiger point), then another short walk. In the evening, return journey will start and after few hours of cruising, boat will stop at Tambulbunia forests camp for night stay.
Day 4: 27th Feb'19 Return journey (End at 2:30pm) at Jaikhana Ghat, Khulna city	Early in the morning (depending on the tide schedule), the boat will begin the return journey through Harbaria tourist channel and cruising half of the day to arrive Khulna in the afternoon. On the way, peaceful cruise through the creeks of the mangrove forests and stop over at Harbaria-eco-tourist spot to see exclusive vegetation of Sundhori. After having lunch on board, you will disembark the boat at Khulna and back to your designated place.
