

INSTRUCTIONS TO AUTHORS for Manuscript Preparation – WasteSafe 2023

1. Manuscripts must be written in English on one side only of white A4 sized (210mm x 297mm) good quality paper. The use of a word processor in conjunction with a letter-quality or laser printer is desirable. All papers should follow the format given in the attached sample. The author must carefully check the manuscript so that there are no spelling or grammatical mistakes.

2. Use 10 pt Arial font and single line spacing for all text. All text should be left and right justified. Footnotes and underlines are not allowed. Left, right, top and bottom margins are 25 mm in entire manuscript.

3. **PAPER TITLE** not more than two lines using 12 pt Arial font should be all capitals, bold, centered on the top of the first page leaving 3 blank lines before and 2 blank lines after. **Author's Name** using 11 pt Arial font should be bold and centered followed by his/her affiliation (not bold) under it. Leave one line blank between names of authors of different affiliations; otherwise, they should be in line.

4. **An Executive Summary** (don't confuse the executive summary with the first Abstract!) should briefly research objectives, methodology, results and conclusions. The text should be typed and edited strictly in accordance with the instruction to authors and with the Executive Summary Sample. The length of the executive summary is 1 (ONE) page (EXACTLY) in A4 sized paper including figures and tables. It should not contain more than 5 keywords with NO REFERENCE.

5. An **ABSTRACT** (11 pt Arial all capitals, left justified and bold) of not more than 150 words should be given at the beginning of the paper using *10 pt. Arial and italic not bold*. Leave 2 blank lines before the **ABSTRACT** and 1 blank line after.

6. **MAIN HEADINGS** should be 11 pt Arial all capitals, left justified, bold and without numbering, leaving 1 blank line before and after. **Second Headings** if any should be Title Case, left justified, bold without numbering, leaving 1 blank line before and start text without line space but giving the indent of the first line by 5 spaces. Start new paragraph without line space but giving the indent of the first line of the paragraph by 5 spaces.

7. All **Equations** should be numbered (1, 2, 3 etc.), enclosed in parentheses and centered.

8. **Table** numbers and captions should be placed on top of the table and centered using 10 pt Arial without bold. Number tables consecutively and locates them close to where they are first referenced in the text. Leave at least one line between the table, caption & text.

9. **Figure** numbers and captions should be placed at the bottom of the figure and centered using 10 pt Arial without bold. Number figures consecutively and locates them close to where they are first referenced in the text. Leave at least one line between the figure, caption & text.

10. In the text, **References** should be quoted by the author followed by year of publication in parentheses. The list of references at the end of the main text should be arranged in alphabetical order. All references must be cited in the text. **Acknowledgement**, if any, should appear before reference, however it should not be more than 50 words.

11. Authors are also requested to submit the manuscript as an attached file (MS word and pdf files) to following e-mail addresses: wastesafe.bd@gmail.com. In case of hard copy, the original and 2 copies of your paper should be submitted.
